# YTT COLLEGE PANELS

Sunday, December 8 @7pm

Topic: Financial Aid

Learn about what you can start doing now  
to prepare for college apps!

ZOOM LINKS WILL BE IN BIO

Sunday, December 15 @ 7pm

Topic: College Lists

What would be your safety, target, and reach schools? How can you organize these schools and create your college list?

# Alumni Interviews

Explore insightful responses to questions:

What was the hardest part of the college application process?

What do you think is the most impactful aspect of your resume?

What was the transition process to college like?

from alumni who have gone on to

attend these universities:

Emory, UMich, and UB

(a very short one this month, but also check out  
November's anecdotes)

link in bio

# DECEMBER COLLEGE NEWSLETTER

# December Spotlight

JACK CAO YANG (RESEARCH CLUB ASSISTANT DIRECTOR OF REVISIONS)

Since his childhood, Jack had a curiosity and interest in science. His role in Research Club as assistant director of revisions entails fact-checking and reviewing their biannual journal, Sigma. Though his time in Research Club hasn't been long, he believes that it provides both fulfillment and commitment. Stay tuned for the new Sigma journal to come out soon!

# Monthly Zodiac's and facts
